Mr. W. Chapman

Dear Sir

I have your favor in which you ask if I would like "a line of ex fine foreign coppers sent on approval." I am ready to buy any I do not have when condition & price suit, but my countries are quite complete. Want only handsome pieces. I would be more likely to buy Canada & the provinces, Ireland, Isle of Man, if you have the right ones. Before I found your prices higher than the other dealers & that is why I did not buy more. As to U. S. in cents have you a good 1799 surpet date when knobs to rim also mint dot on rev. at about 15.00 Have you a fine 1801 $\frac{1}{2}$ over $\frac{1}{2}$ - Also 1807 small $\frac{1}{2}$ Have you handsome 1821, 1822, 1823 surpet date, 1825 - Also 1843 Obv. of '42 Rev '44. Have you a red, clean, sharp 1857 Large date - Would you like to look over my duplicates - Can you use ordinary U. S. such as 1796 Lib. Cap. & good = .75 1805 good = .35 1809 good = 1.40, 1817 fifteen stars & good = .65, 1842 L. & S. date 15 fair = .70

Thanks for your letter. Sorry not to have seen you in N.Y., but I have most of the Canadians you mention. You may send "Wellington funny 1814 very fine, 40 cents.

Messrs. S. H. + H. Chapman

Dear Sirs:

I thank you for your
telling me about bids. I could not come to advance
on 527 or on 528, could buy them privately at
my offers plus ten %. Look at lots 71, 72 of
Cutting sale N.Y. May 23, 1898. We were all
there that day and Stigewalt was right in it.
You may go as high as 1.50 on lot 812; 1.50 for lot
856; 80 cts is enough for either 857, or 708 - want
one only of this date. I will accept your advice of
3.00 for lot 862 if you say it is worth it, but if
I find it is too much - look out for me. I'm a good
runner. We will let my offer stand for 743 even
if they are restrikes. Please do the best you can for me
and make me feel happy by a few real bargains. I doubt
if I have anything to show from you in that line, as you always
try to cover everything up to the highest bid.
Sincerely, Vernon Burgar

My dear Mr. Chapman

I expected to see you at the coin sale in N. Y. last Friday or I would have permitted before. Some of the coins from May 4's sale were way below description, viz: 865, 870 not uncir. - neither of them, 934. In describing 943 you should have stated that the 10 Kops. was bronze & the other red, also that one was tarnished, ^{showing also} with a large edge cut. I return 934 as the value does not show and I fail to see how you can call it uncir - "Beautiful specimen". However if you say I must stand for it I will if you say it is as described. Enclosed please find check for 37. ⁷¹/₁₀₀, balance by coin returned.

Sincerely, Vernon Burgar.

My dear Mr. Chapman

Thanks for sending coins.

I expect to be at Mr. Lou's sale next Tue. & will make returns then as you suggest. Some of these cents I could buy if the prices were more reasonable. But I had a "shy" at before. I made you pay \$2.²⁰ for 70 of your list "1815 rem 8.75", otherwise it would have gone for about 2.⁰⁰, at Frossard's sale, lot 267, Sep. 15, 1899. And Prosky was there. He put a kill the value of this cent as I thought that day. \$2.⁵⁰ is the utmost I could pay for it. One of the 1813 (64) I would like to buy if the stars have not been tooled. I enclose two far. that you may see how ridiculous it is to ask 1.⁰⁰ each for them. You must have made a mistake in pricing them. I can buy uncir. ones at .50 each. If you return them I will pay 1.²⁵ for the two - twice what they are worth. The 1730 half-p. (78) has been here four times during the last 7 years. I told you I did not want to pay more than 1.⁵⁰. Let's stop the talk and compromise at even 2.⁰⁰. ^{.50 is what it might bring.} Kindly let me hear at once so that I can have everything ready for you next Tuesday.

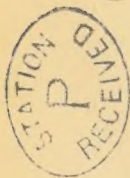

Sincerely, Vernon Burgar.

It might not pay to send a mixed lot of

Dear Sir:

We send you herewith a desirable lot of foreign copper coins from which we hope you will be able to select quite a number. We have prepaid the express charge. Nearly all these coins are in finer preservation than usually obtainable which we think you will note on examination.

Respectfully

Dear Sir:

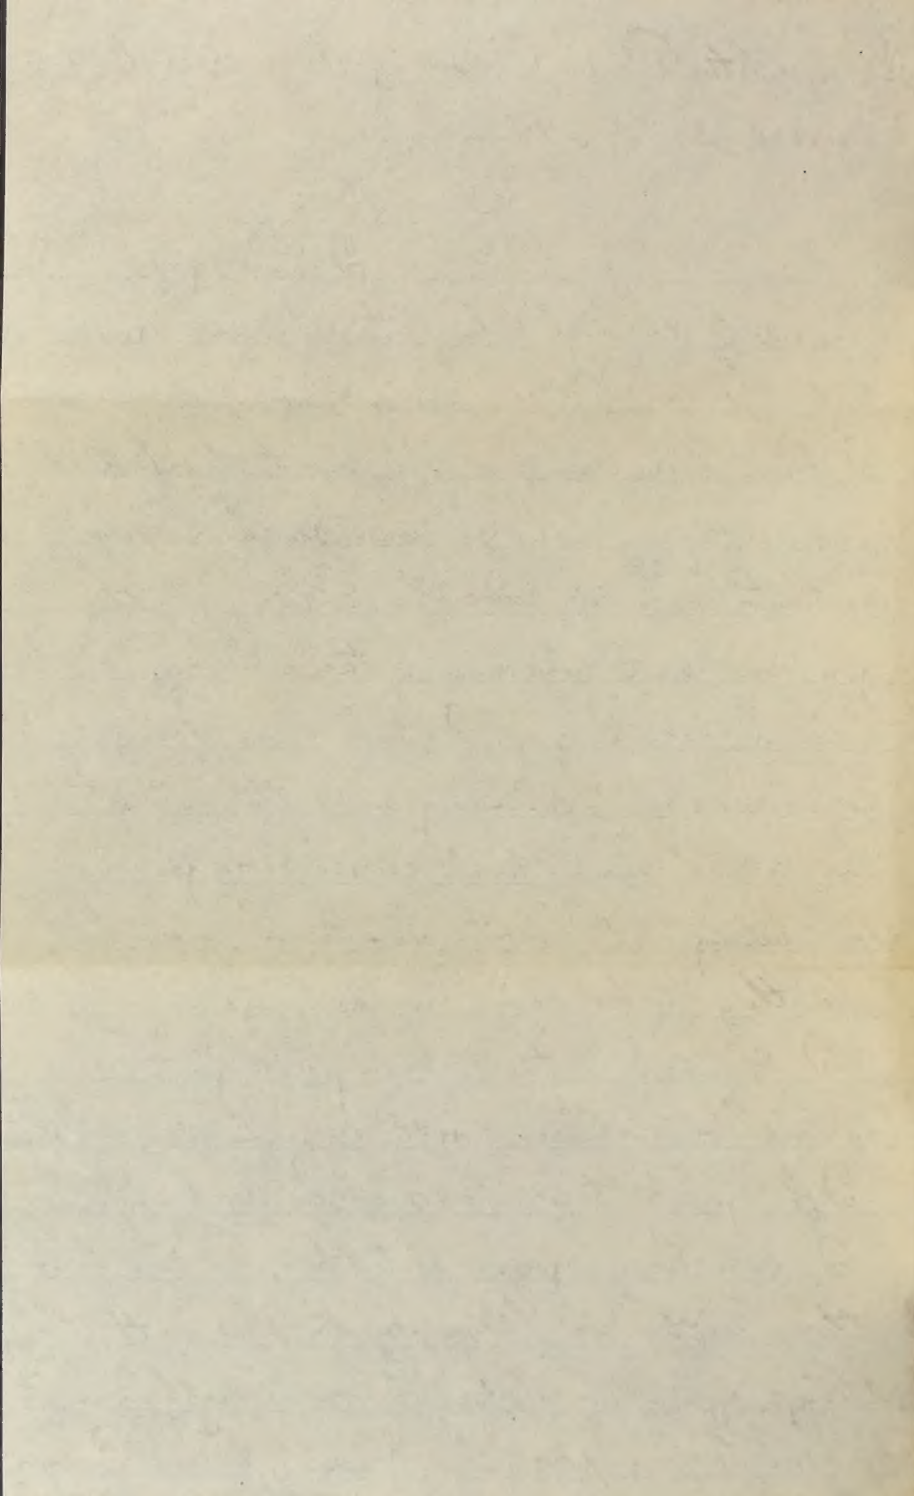

I have gone carefully through the lots of coin you sent and while there are a few nice pieces I find they are for the most part a very ordinary lot of coin such as few collectors would care for. Many of them you have sent here once or twice before.

As I wrote you I have been doing considerable exchanging with collectors and receive from them choice foreign on an average at about one-half your price and they take coin in exchange.

I have selected from yours just an even five dollar worth which I enclose.

If you attend Lou's sale next Mo.

I can bring your coin there, or can leave them with Mr. Kennedy to send with other things you may order. There is nothing in it for me to pay appraisage. Sincerely, Vernon Burges.

I keep seven numbers
from your package viz. =

5	=	.40

25	=	.20
26	=	.25
27	=	.30

It suits me just as well that you
did not order coins quoted, as they
are very beautiful ones. You will not
get a chance like that every day.

Only a few times I ever offered before.
The prices I asked are about one-half
you ask me, except a few and nearly all
such I bought from you. Sincerely, T. D. Morgan.

Messrs. Chapman

Last Thursday when your package came I heard from three coin men, and being otherwise busy, have had my hands full. As to your will say I never asked for 7 days 5 1794, but as I have a choice one. I think it was 7 days 21 you sent up here at a price I thought much too high. I did not altogether like it as the Liberty was rather "ginger-bready". Eight dollars would be all I would care to pay for that one. As your 7 days 5 is a triple better than mine, will offer you 17. 00 cash for the two 7 days 5 + 21. But will not pay more as it is a good offer the way the market is now. The Krider medal does not quite suit and I note you say I can return it. There is a man in town who has one in perfection and he might make sport of this one.

Please do not send them foreign coins up again. Many of them have been here several times & I am tired of seeing them. Seldom forget a coin.

I keep:

No. 3 = .65

5 = .85

12 = .30

29 = .20

82 = .20

96 = 2.25

100 = .50

102 = .50

103 = 2.50

7.95 by check enclosed.

Some of the number were placed wrong on your envelopes. You will notice there are two marked 79. I took out only one lot at a time, so did not mix any.

Sincerely,
Herman O. Wagner
